

Partnership Covenant

Application Instructions

The application will ask for information about the following three prerequisites that will be important in your role as a partner of Journey:

1. Since our mission is "To honor God and journey with Him in making authentic followers of Jesus through genuine relationships," it is essential that our partners have a relationship with Jesus Christ.
2. We believe that the Bible is clear about God's desire for each of us to make a public profession of faith through baptism. If you haven't been baptized, just mark no when asked on the partnership application and we will contact you.
3. We equate partnership with involvement. We will ask about your involvement on a service team or in a small group. We will contact you to assist with baptism or getting connected in a small group or strategic service team. When all three qualifications are complete, your application will be processed for partnership.

We want to make this experience as easy as possible for you, so if any section is unclear or if you have questions, please contact us at (847) 263-1157.

Partnership Application

** Each person applying for partnership needs to complete all parts of the application (ex. Four family members desiring membership need to complete four separate applications). Parents can assist or complete this portion for children under the age of eighteen.*

Our mission at Journey Church is *“To Journey with God in making authentic followers of Jesus through genuine relationships.”* This first section about your spiritual history helps us to learn about your growing relationship with Jesus. Please be as complete and concise as possible.

The Bible teaches that God is relational. He desires a growing relationship with everyone. However, we are born separated from God because of sin. God's desire for a relationship with us is so great that He sent His only Son, Jesus Christ, to restore our relationship with himself, others, and creation - through the power of the Holy Spirit. The same spirit that raised Jesus from the dead is the same spirit that is active and alive in the lives of those that have surrendered their lives to Christ.

In light of this, do you believe that you have entered into this relationship?
